

Our 2018 Art Studio Themes:

Our Art Studio includes: mixed media techniques/texture, sculpture (including clay), printing, photography, collage, studying elements of art, painting with & without a brush (acrylics), pastels, architecture, Pop Art, watercolor techniques, fiber art, installations, & inspiration from the Masters...

Each week, we will have a theme as well as offering many visual artwork options!

WEEK 1: Festivals Around the World

Art inspired by Mardi Gras, Day of the Dead (as in the movie *Coco*), and Carnival!

WEEK 2: Emojis & Selfie Mania

Expressionism, symbolism, self-portraits & photography... design your own emotional symbols & print your selfie in Andy Warhol style.

WEEK 3: Beach Party and Pirates

Sand art, treasures & creatures of the sea, ocean-scapes & Gyotaku... parrots & pirate ships... Arghhhh!

WEEK 4: Unicorns, Monsters, and Dragons!

Be inspired by famous artists' depictions in animation, paintings & sculpture. Design your own fantastic creatures: mermaids, centaurs, fairies and beasts. Build their magical forests, fortresses and castles...

WEEK 5: Color Wars

Explore & create with tie dye, cool colors and hot colors; splatter paint like Pollock, design like Peter Max; invent your own colors & play with tints & shades...

WEEK 6: Candy, Cakes & Art Inspired by Edibles

Check these out: Jason Mecier's food mosaics... sculptures by Jim Victor in butter, chocolate, cheese & vegetables... Tamas Balla's funny animated food characters... and foodscapes by Carl Warner!

WEEK 7: Video Games, from *Mario* to *Minecraft*

Explore cubism & pixel cells; build your favorite character like *Stampy* or *Squiddy*; be inspired by landscapes from *Legend of Zelda*; have artful fun with Mario & Legos...

WEEK 8: Toy Story

Our imaginations soar when toys come to life. Invent & design your own toys; animate a toy with string, stop animation or puppetry; look at the artistry of old-school toys; paint or sculpt your favorites!

WEEK 9: Animal Planet

Wild and wooly, from the sea to the jungle, animals inspire art, fashion, costumes and all manner of design, sculptures and paintings...

WEEK 10: Cool Down ~ Lands of Snow & Ice

...and farewell to summer!
