

OUR 2021 MOVIE STORY-STARTERS

*** Weeks 1-5 (5 weeks):** My Dragon and Me *****

Raya and the Last Dragon is set in the mythical world of Kumandra, a land of magic, adventure, and dragons! In this story, Raya learns that through trust and teamwork, she can reunite people throughout the land, and bring back the dragons from times long ago. Our campers are invited to create their own fantasy world of dragons and magic. They can become the writers and directors of their own movie, inspired by adventures with dragons, and the endlessly surprising possibilities of friendship.

*** Weeks 6-9: (4 weeks)** What Makes us Super *****

Super Heroes are coming to visit our camp! So, our campers are wondering what makes a Super Hero? We will explore the life and times of some of our favorites: from Toy Story to Big Hero 6, so many of our favorite stories are populated by characters with extraordinary powers. Kids of all ages know about Batman, Spiderman, and Wonder Woman; even if they have never seen the movies, they love the characters. We can imagine... where did they come from? What are their powers? And... what if we met them in an adventure?

***Week 10: Talent & Art Show** Artist, Cast/Backstage Crew Party!

Our **final week** of summer camp will be a celebration of all our talents & accomplishments, complete with a gallery of our work, live performances, bloopers, screenings, and ice cream sundaes!
